#mood happiness

Se hai grandi passioni, le idee chiare sul tuo futuro e ti piacciono le novità, scegli i toni del rosso abbinati al bianco, elementi originali come la libreria con scrittoio integrato e ante grafiche che fanno tendenza.

If you are passionate about life, know exactly what you want from the future and love novelties, choose our red shades paired with white on original furniture like our bookcase with its integrated desk and trendy doors with graphic designs.

#mood serenity

Se hai un carattere calmo e tranquillo, ma ti piace anche condividere i tuoi spazi e la tua vita con gli amici, scegli colori freschi e intensi con soluzioni d’arredo che creano spazio per te e per gli altri.

If you have a quiet, calm personality but you like sharing your home and life with friends, choose light, fresh colours paired with furniture that creates spaces for yourself and for others.

#mood energy

Se sei una persona positiva e piena di energia, un tocco di giallo è quello che ci vuole: sui complementi o sugli arredi, l’importante è che ci sia. E in camera tua splenderà sempre il sole, anche se fuori piove.

A touch of yellow is just what you need if you are a positive person, full of energy. No matter whether it’s splashed on your accessories or your furniture, it’s a must have and will give your bedroom a bright and sunny appeal, even when it’s raining outdoors.

#mood glamorous

Se sei razionale e non ti piace uscire dagli schemi, scegli tonalità e abbinamenti più sobri e arredi dal design ben definito. Ma non rinunciare all’originalità di una libreria in metallo e di un armadio bicolore.

If you’re rational and don’t like to break out of the mould, understated shades and pairings on furniture with a well-defined design are the perfect choice for you. An original metal bookcase and a two-toned wardrobe are still a must have though!

#mood graceful

Se hai un animo romantico, ma noi sei più una bambina, le tonalità rosate del cipria e del viola sono perfette per te. Fanno sognare, ma allo stesso tempo sanno tenerti con i piedi per terra.

Powder pink and purple are just the right shades for a grown-up, romantic soul: dreamy colours that still keep your feet firmly on the ground.
